Note (Very Important)

- At least one author of each accepted paper must register using the **author registration** rate to ensure that the paper is included in the conference proceedings published by IEEE Computer Society (IEEE CS). The author registration must be received by the **special author registration deadline** of **April 25, 2009!** If the registration fee is not received by this date, the paper will **NOT** be included in the IEEE Computer Society Proceedings.
- Payment of the registration fee covers the cost of proceedings publishing, shipping, custom taxes, conference venue and session rooms, coffee/tea breaks, conference banquet, and all lunches and dinners during the conference. Notice that the registration fee does not cover transportation fee and accommodation fee.
- Please write **your name and paper ID (if you have a paper) on the bank transfer receipt (from the bank)**, and e-mail a scanned copy of your receipt to bife2009@gmail.com.
- Payments sent by bank transfer must be free of charges for BIFE2009 and only the bank transfer is accepted for author registration. On-site payment for attendee registration is acceptable.
- IEEE CS Member and student registration should send the scanned copy of the valid IEEE CS membership card and student ID card respectively to bife2009@gmail.com. In principle, IEEE CS member and student must be the first author of the paper. There is no discount for IEEE CS student member and post doctor. (Post doctor is not considered as a student)
- If the same author has more than one paper accepted by conference, each paper is required for registration, in terms of the rate of "Extra Paper Charge".
- An Official Receipt for the payment will be passed to the registrant on the conference site.

I certify that I read the above contents carefully and accept all items of the form.
