

Global Information Publisher

2011 Journal Subscription Order Form

Journal Name: *International Journal of Optimization: Theory, Methods and Applications*

Annual Subscription Rate (2011)

Electronic Only	EUR298
Print + Electronic	EUR348

- * The price is for **four issues** in 2011.
- * Subscribers to the “Print + Electronic” version should pay additional airmail postage (EUR60). Subscribers in Hong Kong needn’t pay the postage.

Notice

- * To order, please print and complete this form, then scan the signed form and send it to: subscription@gip.hk or gipinfo80@gmail.com. When you pay your total subscription fee in the bank, please send the scan of bank receipt to us as proof of payment, so the electronic access or printed journal should be offered quickly.
- * Please note that subscriptions run on an annual basis. If a subscription is taken out at any time during the year, all back issues from the beginning of that year will be sent.
- * Subscribers that purchase “Electronic Only” and “Print + Electronic” version (2011) at list price are offered electronic access. Access to articles is free for the length of the subscription. When subscription ends, electronic access will end, we’ll provide a CD or other digital storage medium with all electronic issues in 2009, 2010 and 2011 for you.
